Certificate of Suitability and Safety

It is certified that the School Building of **Holy Heart High School, Jind (Haryana)** is completed Double Storey which has been inspected by the undersigned on dt. 30.05.2019 alongwith the Headmaster of School, to find out its suitability and safety of the building.

The School building is quite airy, having all amenities for the students of the school.

On my visual inspection and in my opinion the school building is found to be quite safe and suitable for the school purposes.
